In association with:

MATERIALS, ACCESSORIES & BUSINESS MEET

Footwear Expo Kerala 2026 returns as South India's leading business platform dedicated to the footwear materials, accessories and components industry.

The expo brings together leading material suppliers, manufacturers, technology providers, accessory brands, sourcing teams, and footwear manufacturers from across India and abroad under one roof.

Organized by FDDC and FOOMA in association with KSSIA, CIFI, IFCOMA and All India MSME Footwear Council the expo creates excellent opportunities for networking, sourcing, product showcases, business partnerships, and market expansion.

The 9th edition of the expo will feature the latest innovations in footwear materials, accessories, and production technologies, attracting key industry professionals, manufacturers, buyers and entrepreneurs.

YEARS OF INNOVATION, GROWTH & INDUSTRY CONNECTIONS

The 9th edition of Footwear Expo Kerala is organized by FDDC and FOOMA in association with KSSIA, CIFI, IFCOMA and All India MSME Footwear Council. Over the years, Footwear Expo Kerala has grown into one of South India's leading business platforms for the footwear materials and accessories industry.

Each edition has brought together suppliers, sourcing teams, buyers, entrepreneurs, and footwear manufacturers from across India, creating valuable opportunities for networking, sourcing, and business growth. From its early editions to the successful 2019 expo, the event has continuously expanded in participation and industry impact organised by KSSIA, CIFI, FOOMA and FDDC.
